QuidelOrtho™

QuidelOrtho™

Working together for the health and well-being of our communities

QuidelOrtho is a trusted partner for comprehensive diagnostic solutions, support and public health insights

Learn more

A legacy of public service

From pioneering blood typing and transfusion medicine to standing at the forefront of the COVID-19 pandemic response, QuidelOrtho has led the way forward through some of our country's most challenging healthcare crises. Today, our expertise, technology and diagnostic solutions are leveraged by government institutions, laboratories, physicians and hospitals around the globe.

An innovative vision for the future

Healthcare diagnostics is what we do. From clinical laboratories to at-home testing for consumers, no single company can offer the array of integrated, intelligent diagnostic instruments and assays as QuidelOrtho. We're forging the future of diagnostics, and we're focused on expanding testing access to improve operational efficiency, patient care and health outcomes for all.

Detect and protect: Harnessing the power of healthcare providers

Virena is a network of thousands of healthcare providers committed to defeating a range of diseases like COVID-19, flu, RSV and others by sharing anonmyized test results. With the disease tracking, mapping and data collection tools provided by QuidelOrtho, clinicians can observe, track, report and respond rapidly to emerging infectious disease. Join the fight and view prevalence in your area now.

Discover how QuidelOrtho can support your public health priorities

To learn more about our comprehensive government and public health diagnostic solutions, talk with a QuidelOrtho representative today.

WHY TRUXTON'S?
Truxton's American Bistro serves a wide variety of classic and ethnic American dishes with a twist, from healthful to sinful – at everyday prices. "Your way" is what we do!
We take same day orders, deliver evenings & weekends and offer breakfast, too. Our prices are friendly and portions generous.
We specialize in Corporate Catering, from simple delivery and setup for a small meeting to full service catering and event planning
:: Same-Day Orders Welcomed ::
Since our meals are made fresh to order, the choices or amounts for same-day may be limited.
:: Quality, Full Service Staff Available ::
Ask about our full service catering for your special events. Our friendly servers and cooks are available upon request at $25.00 per hour with a 4 hour minimum. We also have catering equipment available.
:: Customized Menus Available ::
We'd be happy to help you design a menu for your needs. Just because it's not on the menu doesn't mean we can't do it. Please share your menu ideas with us.
:: Bar Services Available ::
Truxton's is proud to be able to take care of another detail for you. We offer a full line of beverages and can provide a bar set-up and Bartenders. Our unique and delicious drinks and our fabulous beer and wine selection will make your guests feel appreciated.
:: Delivery Charges ::
A delivery charge is added to all orders depending on the amount of the order and travel distance. Please allow for a 15 minute window for delivery. Delivery available weekends and evenings.
:: Online Ordering ::

Run Circles Around Your Competition
ORYZATEIN®
SG-FE Savory
The New Savory Flavor Enhancer That Adds Value to Your Label
Oryzatein® SG-FE is your answer to a meat-free, kosher parve, great tasting substitute for yeast extract, soy and other umami flavors.
Thanks to our natural enzyme-based product, your ingredients list will read "Rice Protein" and your nutritional panel can have a boosted protein level.
Remember, what goes around, comes around, so give your customers the savory flavor enhancer that has everything they want and nothing they don't.

Free of allergens, GMOs, hormones, and cholesterol Axiom Foods' sustainable FDA GRAS plant proteins have been a natural fit for all consumers since 2005. The source for Vegotein™ Pea Protein guaranteed to be free of gluten and soy is now also the source for clinically tested Oryzatein® Brown Rice Protein featuring patented sports claims.
Always filling the innovation pipeline with functional options, the newest virtually neutral protein to join the family is organic Cannatein™ Hemp Protein which is THC-free. Oh, and did we forget to mention the nutrient-dense Dairy Alternatives which are Whole Grain certified?
